## WORK EXPERIENCE

### Associate Data Engineer

Celebal Technologies

10/2017 – Present

Jaipur

#### Roles

- Integrating data, performing ETL
- Processing and Modelling Data into OLAP Models
- Creating reports and dashboards from data models
- Creating and Deploying solutions onto Azure

Contact: Tushar Mittal – tushar.mittal@celebaltech.com

### Campus Ambassador

Hacker Earth

02/2018 – Present

#### Achievements/Tasks

- Organised programming competition with participation of 100+ students from sophomore year, 'Crunch Master' on Hacker Earth
- Spread awareness among freshers for competitive programming

## PROJECTS

### Azure OMS to ServiceNow Automation Solution (07/2018 – Present)

- Automated the creation of Incidents on SNOW, creating Azure Logic App and Azure Function App, from the process of alert generation to ticket generation

### Dynamic Row Level Security (2017)

- Created a Power BI report based on data model that automatically filters the data to be shown to the user accessing the report

### SAP Reporting (2017)

- Reporting Service project using SSIS and Power BI on an SAP database. Data pulled from SAP Table using Xtract IS and loaded to SQL Server. The data then used to create a Power BI Report.

## EDUCATION

### Bachelors of Technology

Poornima College of Engineering

07/2015 – Present

66.67%

#### Courses

- Computer Engineering

### Senior Secondary

Jhunjhunu Academy

06/2013 – 05/2015

89.80%

#### Board

- CBSE

## SKILLS & COMPETENCES

Python 3  SQL Server Analysis Services 

MS SQL Server  SQL Server Integration Services 

Power BI  Microsoft Azure  Machine Learning 

Java SE  DAX  Computer Vision  Hadoop 

Raspberry Pi  Arduino 

## ACHIEVEMENTS

### Cleared Second Sound of HackWithInfy (2018)

Made it to the top 500 programmers nationwide after clearing two rounds of programming challenges conducted online by Infosys.

### Represented Department of Computer Engineering (2017)

Selected as department representative and presented the annual report of Department of Computer Engineering on the occasion of first ever Department Day

### Won Programming Competition (2016)

Won a department level programming competition organised by Department of Computer Engineering, Poornima College of Engineering

### Scored 90 Percentile in NPAT by MHRD, India (2016)

National Programming Aptitude Test is a pan India level programming competition organised by Ministry of Human Resource and Development, India

### Awarded for "Best Non Syllabic Project" (2016)

Attendance calculator was well perceived and appreciated by the jury as well as fellow students as the best non-syllabic project.

## ORGANIZATIONS

### Poornima Foundation (2016 – 2017)

Mentor, Science and Technology Club

### Poornima Foundation (2017 – 2018)

Group Mentor, Science and Technology Club
