A data enthusiast, with experience in data integration, modelling and reporting in a startup company. Passionate and result-oriented. Learner and practitioner of the data analytics and data engineering.

WORK EXPERIENCE

Associate Data Engineer
Celebal Technologies

10/2017 – Present   *Jaipur*

Roles
- Integrating data, performing ETL
- Processing and Modelling Data into OLAP Models
- Creating reports and dashboards from data models
- Setting up environment on Azure for projects

Campus Ambassador
Hacker Earth

02/2018 – Present

Achievements/Tasks
- Organised programming competition with participation of 100+ students from sophomore year, 'Crunch Master' on Hacker Earth
- Spread awareness among freshers for competitive programming

PROJECTS

Dynamic Row Level Security (2017)
- Created a Power BI report based on data model that automatically filters the data to be shown to the user accessing the report

SAP Reporting (2017)
- Reporting Service project using SSIS and Power BI on an SAP database. Data pulled from SAP Table using Xtract IS and loaded to SQL Server. The data then used to create a Power BI Report.

Attendance Calculator (2016)
- A web app to show user how many classes one can bunk safely. It asks user for current attendance and then simulates the attendance as per given parameters.

EDUCATION

Bachelors of Technology
Poornima College of Engineering

07/2015 – Present   *66.67%*

Courses
- Computer Engineering

Senior Secondary
Jhunjhunu Academy

06/2013 – 05/2015   *89.80%*

Board
- CBSE

SKILLS & COMPETENCES

SQL Server Analysis Services

SQL Server Integration Services   MS SQL Server

Power BI   Python 3   Machine Learning

Java SE   DAX   Computer Vision   Hadoop

Microsoft Azure   Raspberry Pi   Arduino

ACHIEVEMENTS

Represented Department of Computer Engineering (2017)
Selected as department representative and presented the annual report of Department of Computer Engineering on the occasion of first ever Department Day

Won Programming Competetion (2016)
Won a department level programming competition organised by Department of Computer Engineering, Poornima College of Engineering

Scored 90 Percentile in NPAT by MHRD, India (2016)
